

PAPERS READ BEFORE AND PUBLISHED IN ABSTRACT FORM:

1. Hall, T.C., Nahas, A., Goldman, M., and Roberts, D.: Dihydrogolate reductase induction with antifols. VII International Congress of Chemotherapy, 1968.
2. Goldman, M., French, D., Langworthy, H., Mints, W., and Leapman, S.: Effects of altitude on *ex vivo* perfusion of canine kidneys. Western Dialysis and Transplant Society, October 15-17, 1976.
3. Goldman, M., Glad-Greenwalt, P., and Leapman, S.: Release of plasminogen activator during continuous pulsatile perfusion. American Society of Transplant Surgeons Meeting, June 2-4, 1977.
4. Leapman, S., Cromie, W., Goldman, M., Forney, M., and Jordan, M.: A model of the extrinsic renal compression syndrome (page kidney) in renal allografts. American Society of Transplant Surgeons Meeting, June 2-3, 1977.
5. Kirschner, P., Goldman, M., Leapman, S., and Keipfer, R.: Accuracy of the kidney/aortic blood flow index (k/a ratio) for assessing renal transplant function. Society of Nuclear Medicine 24th Annual Meeting, Chicago, IL, June 20-23, 1977.
6. Light, J., Annable, C., and Goldman, M.: Prolonged skin graft survival with azathioprine pretreatment. Organ Transplant Service, Walter Reed Army Medical Center, Washington, DC. (Submitted to Association of Academic Surgery, June, 1978).
7. Gawith, K., Goldman, M., Strong, D., Floering, D., and French, D.: Immunobiology of lyophilized vein grafts. American Society for Artificial Internal Organs, Vol 15 p. 72, 1979.
8. Brickley-Parsons, D., Goldman, M., and Tomford, W.: Collagen cross-linking and heterogeneity in freeze-dried human skeletal tissue for transplantation. 16th Annual Meeting, Society for Cryobiology, SEOPF, Atlanta, GA, September 30-October 4, 1979.
9. Metz, S., Strong, D., Goldman, M., and Light, J.: Renal allograft rejection due to HLA-B8 antibody following a negative T-cell positive B-cell crossmatch. 16th Annual Meeting, Society for Cryobiology, SEOPF, Atlanta, GA, September 30-October 4, 1979.
10. Goldman, M., Strong, D., Floering, D., French, D., Gawith, K., and Forgey, J.: Lyophilized veins as arterial interposition grafts. 16th Annual Meeting, Society for Cryobiology, SEOPF, Atlanta, GA, September 30-October 4, 1979.
11. Forgey, J., Goldman, M., Saur, J., and Spees, E.: A new cannulo for pulsatile renal perfusion. 16th Annual Meeting, Society for Cryo-biology, SEOPF, Atlanta, GA, September 30-October 4, 1979. *Cryo-biology* 16:618, 1979.
12. Spees, E., Goldman, M., Forgey, J., McAllister, H., Oages, D., and Saddler, W.: Endothelias ultramicroscopic changes in renal arteries cryopreserved for transplant. 16th Annual Meeting, Society for Cryobiology, SEOPF, Atlanta, GA, September 30-October 4, 1979. *Cryobiology* 16:618, 1979.

13. Light, J., Alijani, M., Goldman, M., and Delmonico, F.: The influence of daily steroids (qds) vs alternate day steroids (ads) on patient and graft survival following renal transplantation. VIII International Congress of the Transplant Society, Boston, MA, June 29-July 5, 1980.
14. Glas-Greenwalt, P., and Goldman, M.: Role of the fibrinolytic system in renal transplantation. VIII International Congress on Thrombosis and Hemostasis, Toronto, July 11-18, 1981.
15. Reinitz, E., Goldman, M., Sais, J., Rittgers, S., Lee, H., and Barnes, R.: Evaluation of transplant renal artery blood flow by doppler sound spectrum analysis. December 1981, Presented at Association of Veterans Administration Surgeons for Sixth Annual Surgical Symposium, May, 1982.
16. Reinitz, E., Goldman, M., Stacy, W., MacKenzie, T., Colonna, J., Lippman, R., and Lee, H.: The dilemma of peritonitis in the continuous ambulator peritoneal dialysis patient. Submitted to Virginia Surgical Society for 29th Annual Meeting in April, 1982.
17. Foegh, M., Goldman, M., Barnhart, G., Lower, R., Szentpetery, S., and Ramwell, P.: Urine immunoreactive thromboxane B2 in human heart transplant rejection. Submitted to V International Conference on Prostaglandins in Florence, Italy.
18. Goldman, M., Mohanakumar, T., Barnhart, G., Lippman, R., Muakkassa, W., Ellis, T., Szentpetery, S., Lee, H., and Lower, R.: Monitoring in cardiac transplantation. 3rd International Immunological Monitoring Symposium, Key Biscayne, FL, November 21-24, 1982.
19. Zawada, E., Goldman, M., Reinitz, R., Green, S., Johnson, M., and Sicca, D.: The renin dependency of hypertension following renal transplantation. American Society of Nephrology.
20. Green, S., Muakkassa, W., Johnson, M., McClanahan, M., Sahhar, I., Goldman, M., and Zawada, E.: Effect of clonidine therapy on renal hemodynamics in renal transplant hypertension. American Federation for Clinical Research.
21. Goldman, M., Capehart, J., Shapiro, R., Van Rijk, G., Alivazatos, P. Guerraty, A., Teachey, H., Martin, A., Salim, J., Szentpetery, S. Wolfgang, T., Ducey, K., Mendez-Picon, G., Lee, H., and Lower, R.: The role of cardiac procurement in the multiple organ donor. International Congress on Organ Procurement, Maastricht, The Netherlands, April 14-16, 1983.
22. Papp, K., Williams, S., and Goldman, M.: Relationship between type of surgical clerkship, order of completion and achievement on patient management problems. Association for Surgical Education, Seattle, WA, April 13-16, 1983.
23. Goldman, M., and Papp, K.: The use of videotape to teach the assessment and management of trauma victims to third year students. Association for Surgical Education, Seattle, WA, April 13-16, 1983.
24. Hess, M., Hastillo, A., Goldman, M., Rider, S., Mohanakumar, T., Ducey, K., Wolfgang, T., Szentpetery, S., and Lower, R.: Cardiac transplantation at the Medical College of Virginia. Third Scientific Session of the International Society for Heart Transplantation, New Orleans, LA, March, 1983.

25. Papp, K., and Goldman, M.: Validation of surgical patient management problems by the multi-trait multi-method matrix. Submitted to Society for Medical Decision Making, Third Annual Meeting, Toronto, October 3-5, 1983.
26. Goldman, M., Papp, K., and Greenfield, L.: Divergent validation of surgical patient management problems. Submitted to Society of University Surgeons, 45th Annual Meeting, February 9-11, 1984.
27. Rittgers, S., Garcia-Valdes, C., McGuigan, J., and Goldman, M.: Noninvasive access graft flowmeter. Printed in American Society for Artificial Organs for the 30th Annual Meeting of the American Society for Artificial Internal Organs, Washington, DC, May, 1984.
28. Nichols, B., Goldman, M., and Sobel, M.: Role of knee flexion on ankle pressure measurement following femoral distal bypass grafts. Society of Noninvasive Vascular Technology. Eighth Annual Meeting, Baltimore, MD, June 2-5, 1985.
29. Barnhart, G., Hastillo, A., Goldman, M., Szentpetery, S., Wolfgang, T., Mohanakumar, T., Katz, M., Rider, S., Hanrahan, J., Lower, R., and Hess, M.: A prospective randomized trial of pretransfusion/azathioprine/prednisone vs cyclosporine/prednisone immunosuppression in cardiac transplantation: preliminary results.
30. Papp, K., Parker, G., and Goldman, M.: Cheating on multiple choice question examinations. Association for Surgical Education, 5th Annual Meeting, Toronto, Canada, April 17-20, 1985.

22. Management of Acute Deep Venous Thrombosis. 2nd Annual Regional Vascular Conference "Advances in Vascular Surgery", Knoxville, TN, October 2-4, 1986.
23. CT Evaluation of the Symptomatic Abdominal Aortic Aneurysm. Southern Association for Vascular Surgery, Scottsdale, AZ, January 29-31, 1987.
24. Algorithms for Diagnosis of Cerebrovascular Disease. 7th Annual Southern Symposium on Vascular Diseases, Charleston, SC, March 6-7, 1987.
25. Immunotherapy in Transplantation. 2nd Annual Current Issues in Organ Procurement and Transplantation Seminar, Little Rock, AR, May 9, 1987.
26. Transplantation. Athens Community Hospital, Athens, TN, May 12, 1987.
27. Deep Vein Thrombophlebitis. Upper Cumberland Medical Group, Crossville, TN, June 19, 1987.
28. CT Evaluation of the Symptomatic Abdominal Aortic Aneurysm. 3rd Annual Regional Vascular Conference, Knoxville, TN, September 18, 1987.
29. DVT. Medical Staff, Woods Memorial Hospital, Etowah, TN, November 19, 1987.
30. I.V./Shock Therapy. Advanced Trauma Life Support (ATLS) Provider Course, April 9, 1988.
31. Transcranial Doppler in Clinical Syndromes. Fourth Annual Regional Vascular Conference "Advances in Vascular Surgery", Knoxville, TN, September 29, 1988.
32. Abdominal Aortic Aneurysm. Fourth Annual Regional Vascular Conference "Advances in Vascular Surgery", Knoxville, TN, September 29, 1988.
33. Visceral Artery Syndromes. Fourth Annual Regional Vascular Conference "Advances in Vascular Surgery", Knoxville, TN, October 1, 1988.
34. Transplantation. Scientific Imaging Group, Knoxville, TN, March 9, 1989.
35. Surgical Treatment of Peripheral Vascular Disease. Athens Community Hospital, Athen, TN, March 14, 1989.

36. Organ and Tissue Transplantation. Organ and Tissue Procurement and Transplant Meeting, U.T. Hospital, Knoxville, TN, April 17, 1989.
37. The Medical Needs Dilemma. Dying in the 90's: Ethical and Theological Issues, U.T. Medical Center, Knoxville, TN, May 19, 1989.
38. Varicose Veins. Womens' Center, Knoxville, TN, May 23, 1989.
39. Transplantation. "Lifestyles" - Channel 20, Knoxville, TN, June 5, 1989.
40. Tissue and Organ Donation- How Does It Work? Who Benefits? Rotary East Town, Knoxville, TN, August 11, 1989.
41. Tissue and Organ Donation- How Does It Work? Who Benefits? Martin Marietta Graphic Arts Group, Oak Ridge, TN, August 24, 1989.
42. Office Evaluation of Peripheral Vascular Disease. Western Carolina Medical Group, Murphy, NC, September 19, 1989.
43. Advances in Vascular Surgery- Vertebrovascular Disease and Obtaining and Maintaining Arterial/Venous Access. Nurse's Symposium at 5th Annual Regional Vascular Conference, Knoxville, TN, September 21, 1989.
44. Long Term Complications of Transplant. Medical Advisory Board, U.T. Medical Center, Knoxville, TN, September 26, 1989.
45. Transplantation. Dialysis Unit and Critical Care Course, Fort Sanders Medical Center, Knoxville, TN, October 6, 1989.
46. Innovations in Tissue Transplantation. Tennessee Nursing Association, Johnson City, TN, October 10, 1989.
47. Tissue and Organ Donation. East Tennessee Memorial Society, Crossville, TN, October 22, 1989.
48. Organ Donation. West High School, Knoxville, TN, October 26, 1989.
49. Organ Donation. Sigma XI Meeting, Oak Ridge, TN, November 7, 1989.
50. Transplants. 8th Grade Class at Webb School, Knoxville, TN, December 1, 1989.
51. Organ Donation. First Presbyterian Church in Oak Ridge, Oak Ridge, TN, December 10, 1989.
52. Career Day: Transplant Surgeon. 8th Graders - Bearden Middle School, Knoxville, TN, February 9, 1990.
53. Overview of Vascular Surgery. Operating Room Staff at U.T. Medical Center, Knoxville, TN, May 9, 1990.

54. Organ Donation. Interview with Channel 20, Knoxville, TN, December 12, 1990.
55. Jugular Transposition for Subclavian Vein Obstruction. Southern Association for Vascular Surgery Meeting, Rancho Mirage, CA January 23-26, 1991.
56. Abdominal Aortic Aneurysm- Diagnosis and Management. Cardiology Conference, Knoxville, TN, March 13, 1991.
57. Abdominal Aortic Aneurysm. Lafollette Hospital, Lafollette, TN, March 15, 1991.
58. Pancreas Transplants. Joint Presentation of Knox Area American Diabetes Association Chapter and Diabetes Center, Knoxville, TN, March 19, 1991.
59. Historic Overview of Transplantation. Organ and Tissue Donor Program, Knoxville, TN, April 16, 1991.
60. Organ Donation. Fort Sanders Loudon Medical Center, Loudon, TN, June 14, 1991.
61. Transplants. West High School Students, Knoxville, TN, October 9, 1991.
62. Occult Disease in Tissue Donors: A Case for Routine Autopsy. 1st European Conference on Tissue Banking and Clinical Application, Berlin, Germany, October 24-26, 1991.
63. Histopathology of Acute Rejection in Fresh and Cryopreserved Venous Allografts in NIH Miniswine. 1st European Conference on Tissue Banking and Clinical Application, Berlin, Germany, October 24-26, 1991.
64. Renal Vascular Hypertension. Cardiology Conference, U.T. Medical Center, Knoxville, TN, October 30, 1991.
65. Organ Donation. Fort Sanders Surgery Department Meeting, Knoxville, TN, November 20, 1991.
66. Organ Donation. Fort Sanders Medicine Department Meeting, Knoxville, TN, November 26, 1991.
67. The Current State of Pancreas Transplantation. American Diabetes Association, Knoxville, TN, April 30, 1992.
68. Pancreas Transplantation. Blount County Diabetes Association, Maryville, TN, November 3, 1992.
69. Diagnosis and Treatment of PVD. Cardiology Conference, Knoxville, TN, May 5, 1993.
70. What's New in Vascular Surgery: Surgery vs Angioplasty vs Both. Tennessee Chapter, American College of Surgeons Summer Meeting, Pickwick, TN August 13, 1993.
71. AAA. Cardiology Conference, Knoxville, TN, September 8, 1993.
72. UNOS and Its Role in Transplantation. UNOS Transplant Patient Forum, Richmond, VA, February 5, 1994.

73. Heart Transplantation. Sequoyah Elementary School, Knoxville, TN, March 1, 1994.
74. Restenosis in Peripheral Vascular Surgery. Cardiology Conference, Knoxville, TN, August 17, 1994.
75. D-Dimer XDP Correlate with Fibrinolytic Shutdown in Renal Transplant Patients Treated with Anti-T-Cell Antibodies. Xvth World Congress of The Transplantation Society, Kyoto, Japan, August 28-September 2, 1994.
76. Renal Transplantation. East Tennessee Ultrasound Society, Knoxville, TN, September 20, 1994.
77. History of Transplantation (lecture). Organ and Tissue Donation and Transplantation in the United States, UTK approved course, Knoxville, TN, September 27, 1994.
78. Vascular Disease. The Molecular Basis of Human Disease Core Course, Knoxville, TN, October 3, 1994.
79. Intimal Hyperplasia. Department of Surgery Grand Rounds, Knoxville, TN, October 20, 1994.
80. Organ Transplantation (lecture). Organ and Tissue Donation and Transplantation in the United States, UTK approved course, Knoxville, TN, October 25, 1994.
81. Transplantation. Fort Sanders Conference, Knoxville, TN, November 10, 1994.
82. Update on Renal Transplant. Department of Medicine Grand Rounds, Knoxville, TN, December 20, 1994.
83. Influence of combined infrageniculate arterial and orthopedic injury on limb loss after trauma. 47th Annual Meeting, Southwestern Surgical Congress, San Antonio TX, April 1995.
84. Effect of anesthesia technique on cardiovascular morbidity following carotid artery surgery. 47th Annual Meeting, Southwestern Surgical Congress, San Antonio TX, April 1995.
85. Histologic techniques for in-situ evaluation of intra-arterial stented grafts. 28th Annual Lofland Conference, San Antonio TX, May 1995.
86. Role of dipyridamole myocardial scintigraphy in carotid artery surgery. 19th Annual Meeting, Southern Association for Vascular Surgery, Cancun Mexico, January 25-28, 1995.
87. Effect of intra-arterial environment on re-endothelialization rate and basement membrane organization in polytetrafluoroethylene (PTFE) grafts. Tennessee Chapter American College of Surgeons, Nashville TN, April 1995.
88. Effect of intra-arterial environment on re-endothelialization rate and basement membrane organization in polytetrafluoroethylene (PTFE) grafts. University of Tennessee Department of Surgery 4th Annual Research Symposium, Knoxville TN, June 17, 1995.

89. History of Organ Donation and Transplantation. Junior League Training meeting, Knoxville, August 30, 1995.
90. Hydraulics and the Endothelium. Cardiology Conference, UT Medical Center, Knoxville, October 11, 1995.
91. Effect of Graft Environment on Perianastomotic Intimal Hyperplasia. Poster presentation at Association for Academic Surgery, Dearborn, MI, November 8-11, 1995.
92. Post Transplant Care. 1995 Nutrition: A Multidisciplinary Approach to Patient Care conference, Knoxville, TN, November 15, 1995.
93. Effect of intra-arterial environment on re-endothelialization rate and basement membrane organization in polytetrafluoroethylene (PTFE) grafts. Southwestern Surgical Congress 48th Annual meeting, Scottsdale, AZ, April 1996.
94. Biologic factors in endoluminal stent graft healing. Humera Surgical Society 32nd Annual Meeting, Kiawah Island, SC, April 18-21, 1996.
95. Heart Transplantation. Sequoyah Elementary School, Knoxville, December 11, 1996.
96. History of Transplantation. UTK class on Organ and Tissue Donation, Knoxville, January 21, 1997.
97. Update on Transplantation. Maryville Kiwanis, Maryville, February 11, 1997.
98. Organ Transplantation. UTK class on Organ and Tissue Donation, Knoxville, March 18, 1997.
99. Noninvasive Laboratory. Medicine Grand Rounds, Knoxville, April 8, 1997.
100. Patching and Grafting. Association of Surgical Technologists, Knoxville, August 23, 1997.
101. Cardiovascular Tissue Transplantation. Kenneth Sell Symposium at annual meeting of American Association of Tissue Banks, San Diego, CA, August 24, 1997.
102. Transplantation. Alpha Epsilon Delta Prehealth Society, Knoxville, October 28, 1997.
103. History of Transplantation. UTK class on Organ and Tissue Donation, Knoxville, January 20, 1998.
104. Organ Transplantation. UTK class on Organ and Tissue Donation, Knoxville, March 17, 1998.
105. The Transplant. UT Mini Medical School, Knoxville, March 19, 1998.
106. Organ Distribution. National Kidney Foundation, Knoxville, May 18, 1998.
107. Approach to the Patient with Claudication. Internal Medicine Resident Conference, Knoxville, September 2, 1998.

108. Intimal Hyperplasia at the Anastomotic Site Non-Penetrating Arcuate Legged Clips vs. Sutures. 25th Annual Symposium on Current Critical Problems – New Horizons and Technique in Vascular and Endovascular Surgery, New York City, NY, November 18-22, 1998.
109. History of Transplantation. UTK class on Organ and Tissue Donation, Knoxville, January 19, 1999.
110. Organ Transplantation. UTK class on Organ and Tissue Donation, Knoxville, March 23, 1999.
111. Transplantation. Interview with Lifetime Channel for “Beyond Chance” program, Knoxville, August 13, 1999 (to be aired in September).
112. Updates on Transplantation. National Kidney Foundation, Knoxville, August 19, 1999.
113. Effect of Retroviral Transduction of Canine Microvascular Endothelial (CMVEC) Cells on 1 Integrin Subunit Expression and Cell Retention to PTFE Grafts. International Society for Cardiovascular Surgery 24th World Congress, Melbourne, Australia, September 12-16, 1999.
114. Cryopreserved Vein Allografts: What Is Their Present Role As a Vascular Substitute. 26th Annual Symposium on Critical Problems, New Horizons and Techniques in Vascular and Endovascular Surgery, New York City, NY, November 18-21, 1999.
115. Vascular Ultrasound. Radiology Resident Conference, Knoxville, March 31, 2000.
116. Vascular Disease Overview. Mini-Medical School UTMCK, Knoxville, September 21, 2000.
117. Understanding and Coping with Vascular Disease. Second Presbyterian Church, Knoxville, November 27, 2000.
118. Peripheral Vascular Disease. Internal Medicine Residents, UTMCK, April 25, 2002.
119. Carotid Ultrasound. Radiology Residents, UTMCK, May 10, 2002.
120. Approach to the Patient with Claudication, Cardiology Grand Rounds, UTMCK, October 17, 2002.
121. Approach to the Patient with Claudication, Cardiology Update Program, November, 10, 2002
122. Operative Management of Failing Access. 6th Annual Hemodialysis and Venous Intervention Symposium, Keystone, CO, February 28, 2002
123. Surgical Complications of Transplantation. 6th Annual Hemodialysis and Venous Intervention Symposium, Keystone, CO, March 1, 2002.
124. Kidney Transplantation. Surgery Grand Rounds, East Tennessee State University, Johnson City, TN, March 14, 2003.

125. Masters and Commanders. Presidential Address, Southern Association for Vascular Surgery, Marco Island, FL. January 20, 2005
126. Rural Surgery. CME Presentation., Smyth County Community Hospital Quarterly Medical Staff Meeting, Marion, VA. May 26, 2009
127. Research at the University of Tennessee Graduate School of Medicine, UT Science Forum, UTK. April 15, 2011
